Report on the Estonian National PSI meeting - published

ePSI *plus*: 7 October 2008

The report [The Estonian National public sector information meeting has been published meeting](#) was held in Tallinn on the 23 May 2008.

As a result of the ePSI *plus* national meeting in Estonia, a letter of recommendation has been drafted (Annex 3 of the report) and has been presented to the appropriate Ministries within Estonian government. The letter covers the most important issues raised during the meeting, which if they were resolved would further improve the re-use of PSI in Estonia.
